

Tapping on the book cover will take the user to the blurb page of the book. Every book will have a little click icon as it is here to show users where they can interact. The background of the book's cover will actually be blue; the green is just to indicate the bounds of the interaction area.

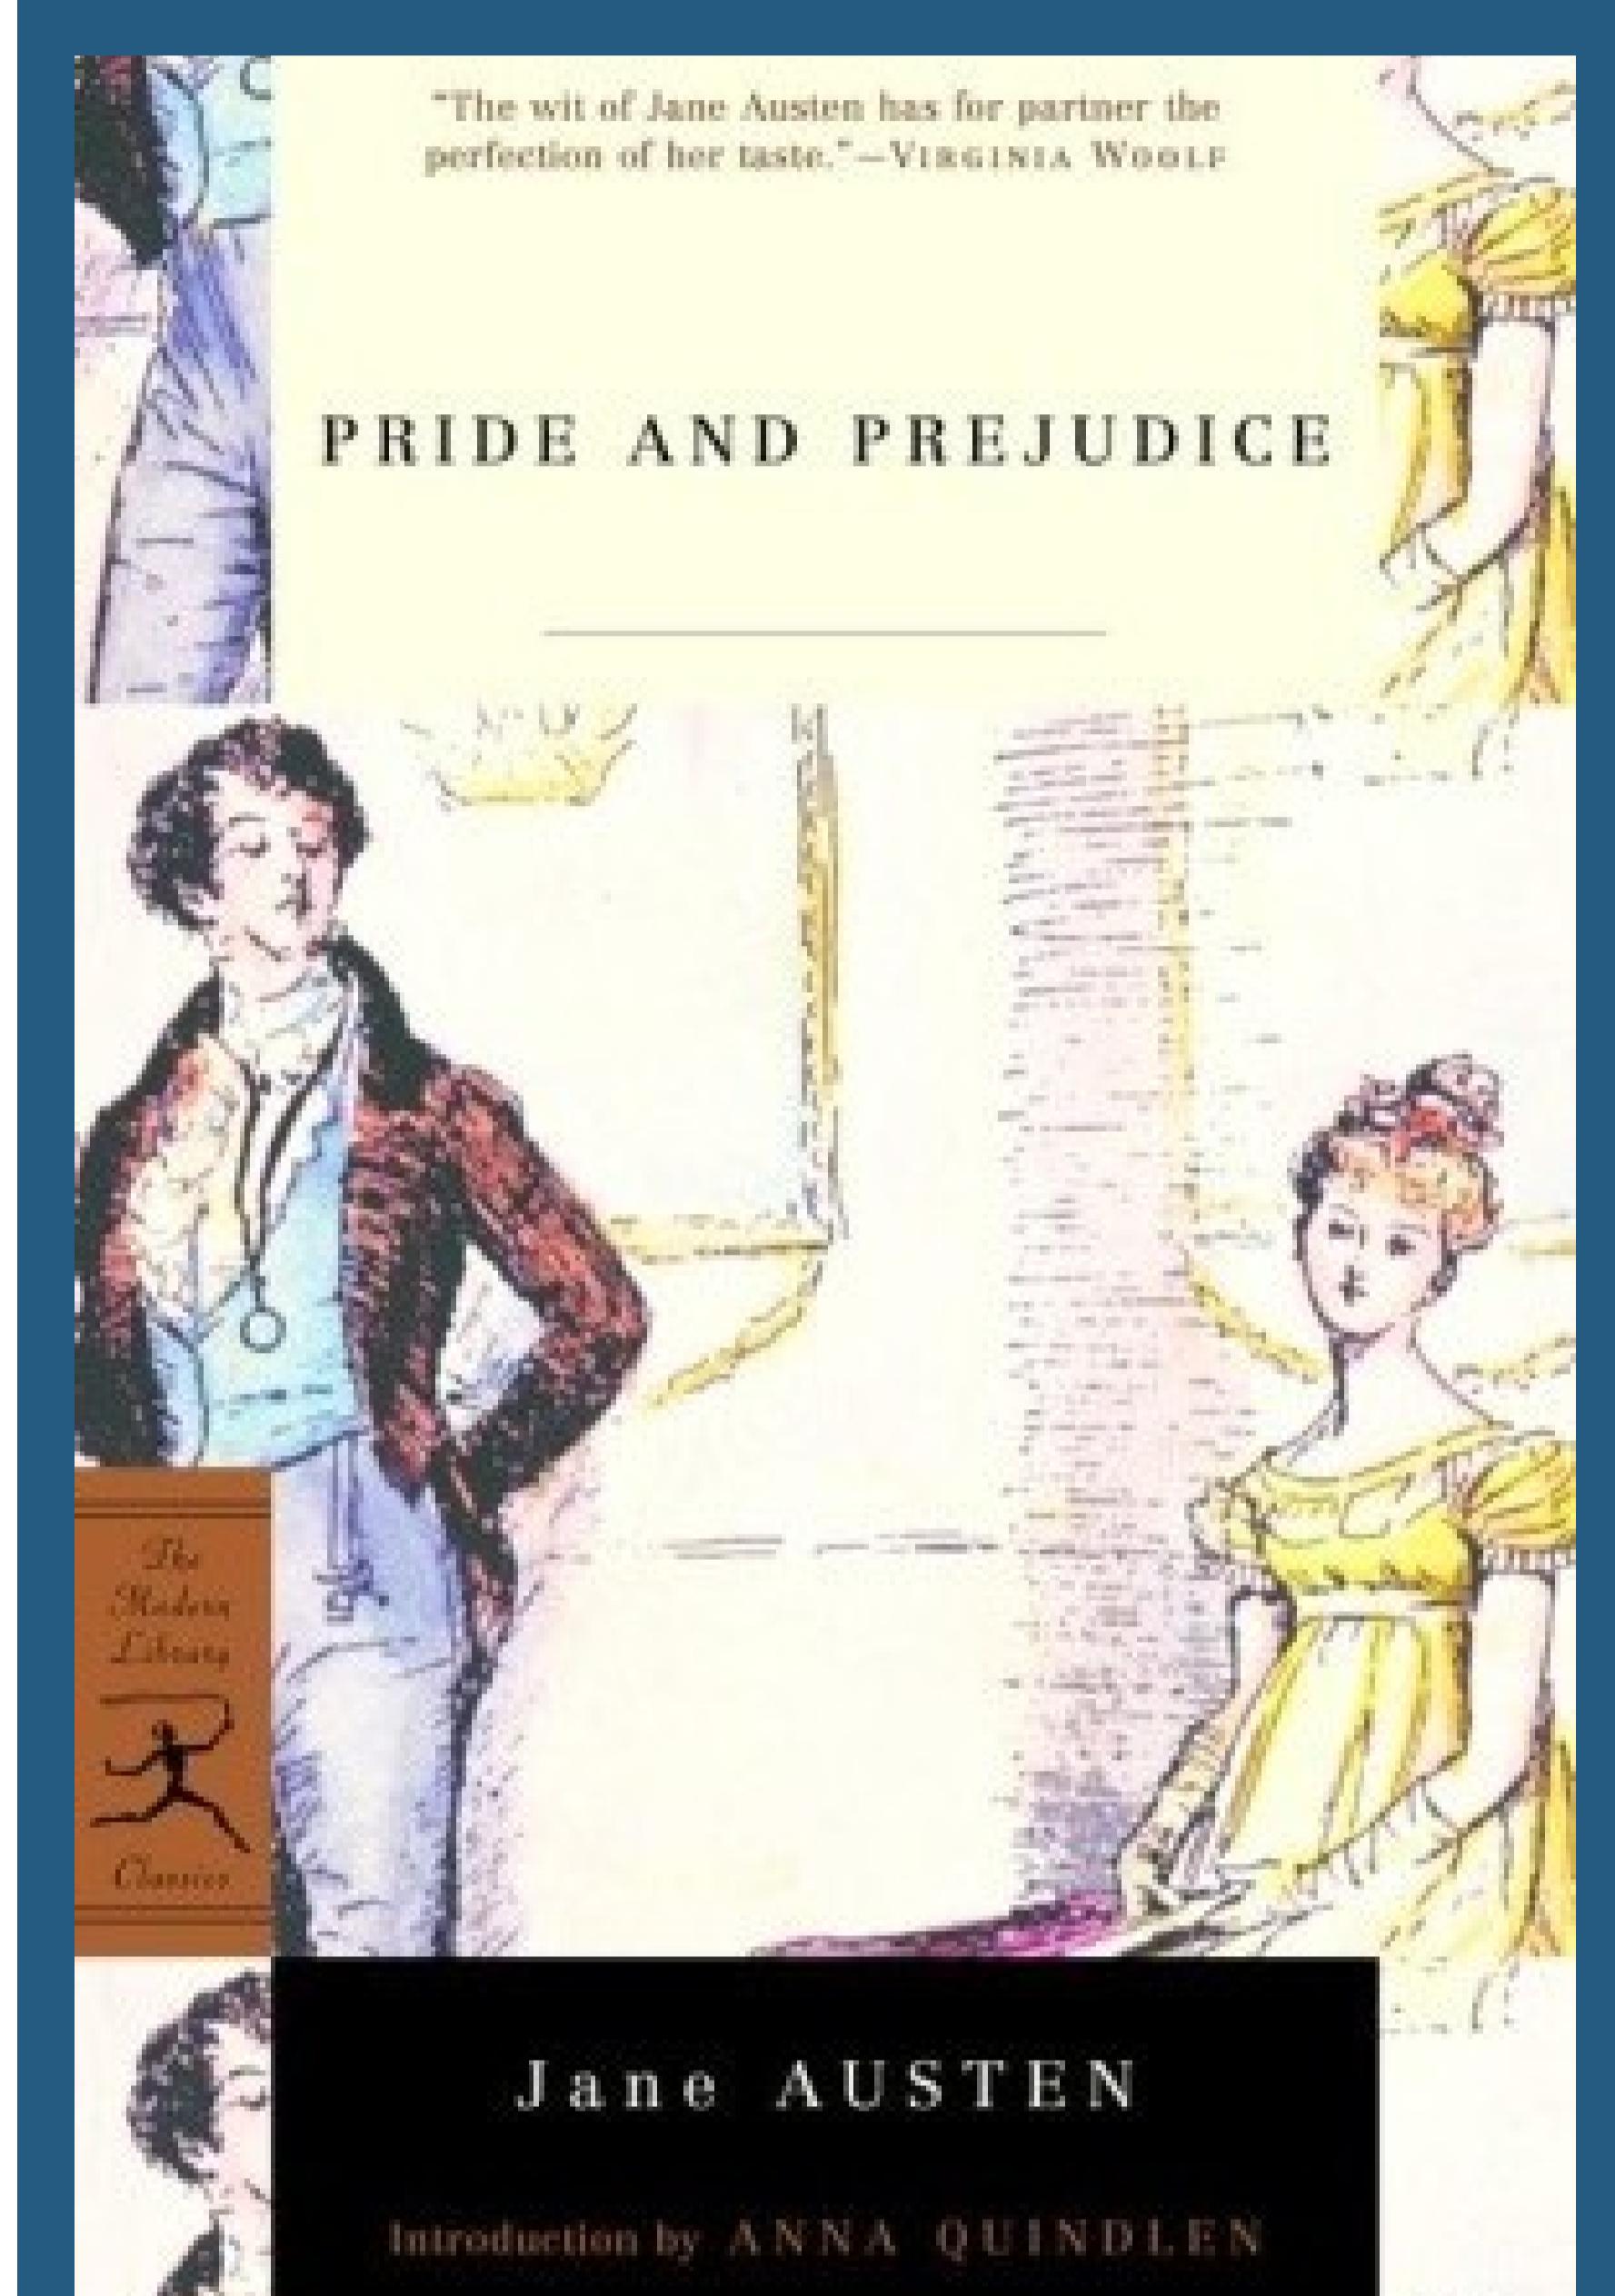

Tapping elsewhere, say on the text in the middle, will do nothing. This is to protect the user from accidentally clicking something while browsing.

Pride and Prejudice

Jane Ausyem

Since its immediate success in 1813, Pride and Prejudice has remained one of the most popular novels in the English language. Jane Austen said I liked the version with Zombies better. Zombie ipsum reversus ab viral inferno, nam rick grimes malum cerebro. De carne lumbering animata corpora quaeritis. Summus brains sit, morbo vel maleficia? De apocalypsi gorger omero undead survivor dictum mauris. Hi mindless mortuis soulless creaturas, imo evil stalking monstra adventus resi dentevil vultus comedat cerebella viventium.
